CLIENT REVIEWS

"From the get-go, DJ GEORGE CHUCK was in constant contact with my daughter and I about her song selections for the ceremony and the reception. anytime we had questions all we had to do was contact him he was readily available. His professionalism and services are top notch!"

"I couldn't have asked for a better DJ and overall reception for our wedding. DJ George Chuck was amazing. He kept our guests entertained all night. If you are looking for a DJ for any event, please call Chuck, you will not be disappointed."

"DJ George Chuck was very professional. He met with us to prep and arrived at the venue on time for set up. He rocked our reception and had our guests singing and dancing along. They were thoroughly engaged. He also helped my husband surprise me with singing a song to me as I walked down the aisle. It was such a pleasant surprise, and the audio was great."

"I had never dealt with a DJ before, but I wanted my daughter's wedding to be special. As soon as I contacted Chuck about his availability, he sent me a template for a schedule of events. As we didn't have a wedding planner, this was invaluable. He was able to accomodate every request. The ceremony was perfect! The reception was so much fun. He was on top of everything and was able to get the crowd involved. All I can say is that he is a true professional and really took the anxiety off of me. I couldn't have made a better decision to hire Chuck. I highly recommend him and look forward to hiring him again in the future!"
